Pass/Fail Summary Key

- A - Criminal Conviction History (felony or controlled-substance-related misdemeanor / 10 years)
- B - Criminal Conviction History of leader(s), secure transport driver(s), or secure transport passenger(s) (8 years)
- C - Minimum Liability and Casualty Insurance (\$2 million)
- D - Permissibility of Dispensing Site Locations
- E - Applicant's consent to inspections, examinations, searches and seizures
- F - Applicant's verification of no economic interest in any other applicant/licensee
- G - Application contains no false information
- H - No owner, director, board member, agent, or other individual with an economic interest in applicant is a member of Commission
- I - Resume or CV of Individuals with Ownership Interest
- J - Records Indicating Proof of Residency of Owners
- K - Commercial Horticulture or Agronomic Production Experience
- L - Criminal Background Checks (receipt of results)
- M - Minimum Performance Bond
- N - Minimum Liquid Assets

The Commission has received an inquiry regarding “A” and “L” classification in the Applicant Summary Report published on August 11, 2023, at <https://amcc.alabama.gov/cannabis-business-applicants/#evaluation>. The “A” reference included entities whose criminal conviction history of applicant’s owner(s), director(s), board member(s), or individual(s) with a controlling interest in the applicant owners’ criminal history could not be fully verified due to non-receipt of timely criminal background checks in the manner designated by the Commission (see reference “L”). The Summary Report has been revised to delete the “A” reference for the impacted applicants. ***The prior “A” reference in the summary report for these applicants should not be construed as evidence of an any criminal background on the part of the applicant, or any individual or other entity associated with the applicant.*** The pass/fail items and the scored items are independent of each other, and the evaluators had no access to the pass/fail items or any indication of how an applicant may perform on any pass/fail item.
