- The business license applicant identified above filed an original application for medical cannabis business license in this license offering in accordance with the timeline provided to the applicant at the time of submitting its Request for Business Application.
- The business license applicant above received a Notice of Deficiency in accordance with Rule 538-x-3-.08(1) and the timeline provided to the applicant at the time of submitting its Request for Business Application.
- The original filed application of the business license applicant identified above has been returned to the applicant for the purpose of correcting the deficient items identified in the Notice of Deficiency.
- The business license applicant identified above has received an invoice for the corrected application filing fee in the amount of \$1,250.00.
- The corrected application filing is due in accordance with the timeline provided to the applicant at the time of submitting its Request for Business Application.
- Pursuant to Rule 538-x-3-.08(6), the business license applicant identified above hereby petitions the Commission for additional time, based on extraordinary circumstances, to file its proposed corrected application.
- The Commission has sole discretion to grant an applicant's petition for additional time, based on extraordinary circumstances, to file its proposed corrected application, but the presumption shall be against allowing such additional time. (Rule 538-x-3-.08(5)).
- Pursuant to Rule 538-x-3-.08(5), the business license applicant identified states the following as its detailed explanation of the need for additional time to make required corrections:

- The deadline to submit this Petition for Additional Time Based on Extraordinary Circumstances (Corrected Application) is set by the timeline provided to the applicant at the time of submitting its Request for Business Application.
- The deadline to file a proposed corrected application pursuant to additional time based on extraordinary circumstances, accompanied by Verification of Corrected Application (FORM R), and the corrected application filing fee, is set by the timeline provided to the applicant at the time of submitting its Request for Business Application.
- The Commission will vote to accept or reject timely and properly filed petitions and proposed corrected applications.
- The applicant's failure to timely and properly file any item required with a corrected application will result in the Commission's denial of the applicant's petition and/or amended application.

The undersigned hereby verifies that the applicant understands and will comply with the requirements hereinabove, and all other requirements of the AMCC rules.
